

**PUBLIC INFORMATION BULLETIN NO. 6
FEBRUARY / MARCH 2019
DOWSETT HIGHLANDS RELIEF SEWER PROJECTS
NUUANU AVENUE (SCHOOL ST. TO WYLLIE ST.) &
PALI HIGHWAY (WYLLIE ST. TO NUUANU PALI DR.) + DOWSETT AVE.
JOB NOS. W5-17 & W6-17**

INTRODUCTION

This bulletin is published to the project website (www.palisewer.org) monthly to keep the community informed about construction work associated with the Dowsett Highlands Relief Sewer Projects. The contract Notice-To-Proceed was issued to Kiewit Infrastructure West Co. (KIWC) on June 7, 2018. Heavy construction is scheduled to continue through the summer of 2020. Refer to the attached maps and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 793-7184.

UPDATES FOR ONGOING ACTIVITIES

KIWC performed the following work in January:

Nuuanu Ave. between School St. & Judd St.

- Installation of new sewer pipelines and manholes, including trench excavation and trench restoration, at various locations between School St. and Hialoa St.; and between Bates St and Judd St.

Pali Hwy. between Coelho Way & Country Club Rd

- Construction of guided bore pipe installation shafts at various locations in the town bound shoulder lane between Coelho Way and Jack Ln.
- Drilling and installation of shaft monitoring instrumentation at various locations in the town bound shoulder lane and sidewalks between Coelho Way and Country Club Rd.

FEBRUARY / MARCH FORECAST OF ACTIVITIES

The following activities are scheduled to continue and/or begin in February and/or March. The approximate locations and work hours for these activities are shown on the attached maps.

Nuuanu Ave. between School St. & Robinson Ln.

- Installation of new sewer pipelines and manholes, including trench excavation and trench restoration, at various locations between School St. and Kuakini St.; and between Bates St. and Robinson Ln.

Pali Hwy. between Coelho Way and Ahi Pl.

- Construction of guided bore pipe installation shafts at various locations in the town bound shoulder lane between Coelho Way and Ahi Place.
- Installation of new sewer pipelines by guided bore methods between Coelho Way and Jack Lane. Localized trench excavations at various locations may occur in order to remove any obstructions that prevent the guided bore pipe installations.

Dowsett Avenue

- Relocation of underground utilities at various locations on Dowsett Avenue.
- Installation of new sewer pipelines and manholes, including trench excavation and trench restoration between Allan Pl. and Pali Hwy.

TRAFFIC UPDATES FOR FEBRUARY / MARCH

Daytime construction work will require relatively isolated lane closures at several locations on Nuuanu Ave., Dowsett Ave., and Pali Hwy. Work on Pali Hwy. will involve temporary closure of the right-most inbound travel lane during work hours. A detour will be involved with work at the Kailua end of Dowsett Ave., between Allan Pl. and Pali Hwy.; see the following page for the associated traffic detour. Access to driveways will be maintained via right turn motions from the open travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to required traffic control configurations. Please observe the posted construction traffic signage. Thank you for your patience!

- **Traffic Detour for Work on Dowsett Ave.**

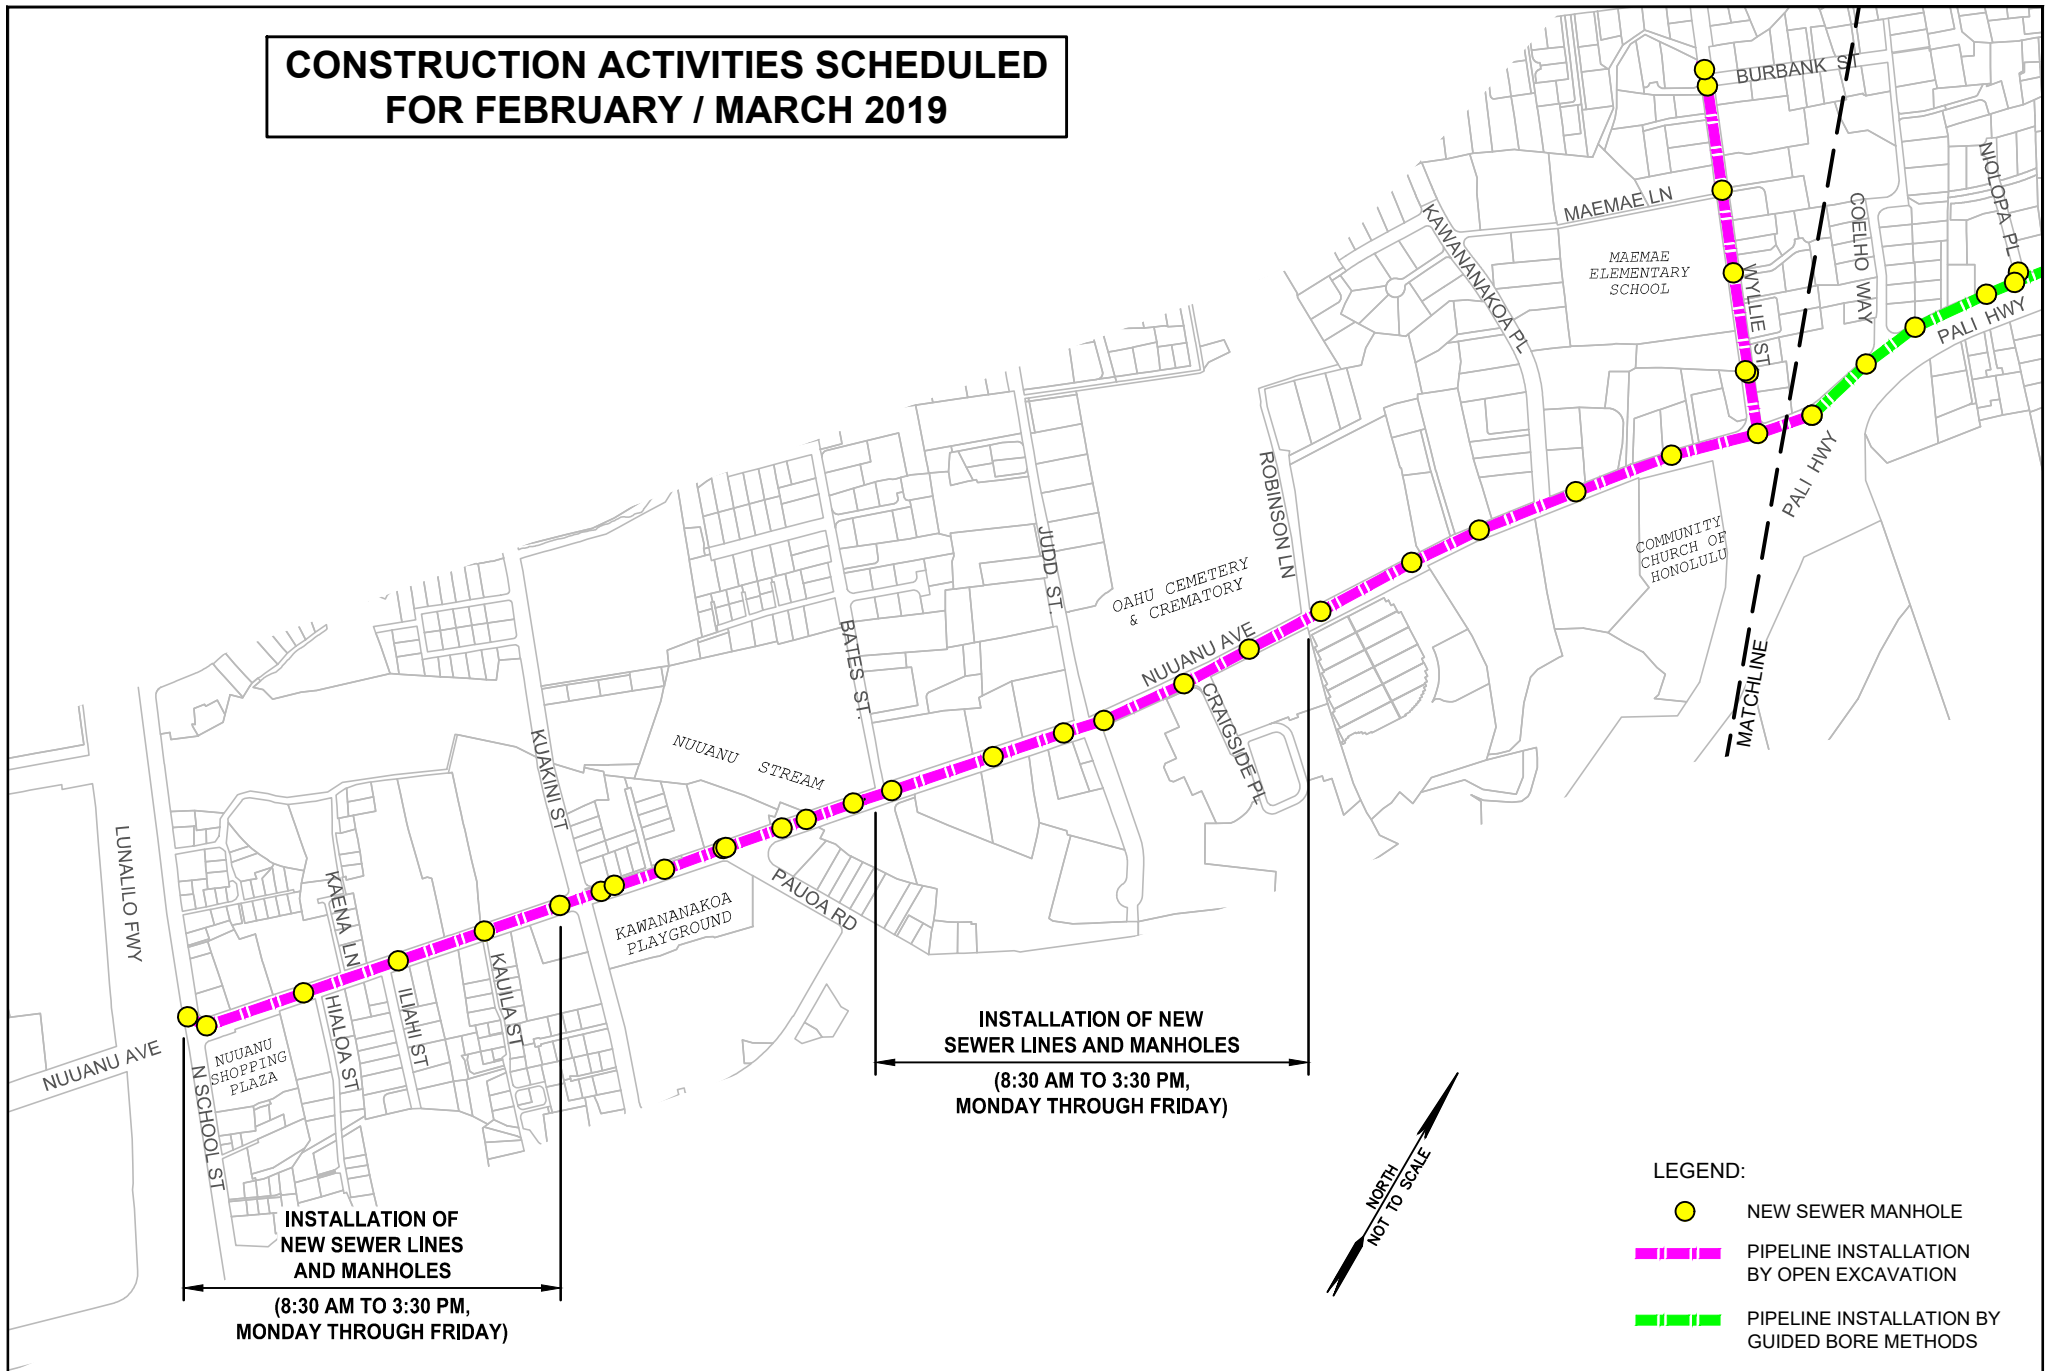

8:30 am to 3:30 pm (Monday through Friday)

Through movements during work on Dowsett Ave. between Allan Pl. and Pali Hwy. will be closed to thru traffic. Access into this segment will be open to *LOCAL TRAFFIC ONLY*. Drivers affected by this closure will be detoured via Alika Ave., Wood St., and/or Pali Hwy.

CONTACT INFORMATION

For more information about this project, please visit the project website: www.palisewer.org or call the project hotline at (808) 793-7184.
